Debtor.)	Chapter 11
)	

**AMENDED NOTICE OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES
SUBJECT TO POSSIBLE ASSUMPTION AND ASSIGNMENT AND PROPOSED
CURE AMOUNTS**

PLEASE TAKE NOTICE that on September 19, 2017, the United States Bankruptcy Court for the Middle District of North Carolina, Greensboro Division, entered an Order (A) Establishing Bid Procedures Related to the Sale of the Debtor's Assets, (B) Scheduling a Hearing to Consider the Proposed Sale and Approving the Form and Manner of Notice Thereof, (C) Establishing Procedures Relating to the Assumption and Assignment of Certain Executory Contracts and Unexpired Leases, Including Notice of Proposed Cure Amounts, and (D) Granting Related Relief (the "Bid Procedures Order") [Dkt. No. 220]. The Bid Procedures Order, among other things, requires the Debtor to file and serve a notice (the "Cure Notice") of proposed cure amounts (the "Cure Amounts") for all executory contracts and unexpired leases subject to potential assumption and/or assignment (the "Potentially Assumed Executory Contracts") to the successful bidder(s) to be identified at the conclusion of the auction of the Debtor's assets. On October 3, 2017, the Debtor filed the Cure Notice [Dkt. No. 245] stating that any objection to the Cure Amounts or the assumption and assignment of a Potentially Assumed Executory Contract must be filed with the Bankruptcy Court and served on the undersigned counsel on or before November 2, 2017 (the "Initial Cure Objection Deadline").

PLEASE TAKE FURTHER NOTICE that this Amended Notice of Executory

Contracts and Unexpired Leases Subject to Possible Assumption and Assignment and Proposed Cure Amounts (the “Amended Cure Notice”) hereby replaces for all purposes the Cure Notice filed on October 3, 2017, and the Initial Cure Objection Deadline has been extended to November 10, 2017.

PLEASE TAKE FURTHER NOTICE that Exhibit A attached hereto includes the list of all Potentially Assumed Executory Contracts that may be included as part of the sale(s) and the proposed Cure Amount for each Potentially Assumed Executory Contract.

PLEASE TAKE FURTHER NOTICE that, as stated above, any objection to the Cure Amount or the assumption and assignment of a Potentially Assumed Executory Contract included as part of Exhibit A attached hereto must be filed with the Bankruptcy Court and served on the undersigned counsel on or before November 10, 2017.

PLEASE TAKE FURTHER NOTICE that pursuant to the Bid Procedures Order, any objection to the Cure Amount must state with specificity what cure the party to the Potentially Assumed Executory Contract believes is required with appropriate documentation in support thereof. If no objection is timely received, the Cure Amount set forth in the Cure Notice shall be controlling notwithstanding anything to the contrary in any Potentially Assumed Executory Contract or other document as of the date of the Cure Notice; the non-debtor party to the Potentially Assumed Executory Contract shall be deemed to have stipulated that the Cure Amount set forth in the Cure Notice is correct; the non-debtor party shall be forever barred, estopped and enjoined from asserting or claiming that any additional amounts are due or other defaults exist, that conditions to assignment must be satisfied under such Potentially Assumed Executory Contract or that there is any objection or defense to the assumption and assignment of such Potentially Assumed Executory Contract, including any argument that there exist conditions

to assumption and assignment that must be satisfied under such Potentially Assumed Executory Contract or that any required consent to assignment has not been given.

PLEASE TAKE FURTHER NOTICE that the inclusion of any contracts or leases on **Exhibit A** hereto shall not constitute or be deemed to be a determination or admission by the Debtor that such document is, in fact, an executory contract or unexpired lease within the meaning of the Bankruptcy Code (all rights with respect thereto being expressly reserved).

Respectfully submitted, this the 27th day of October, 2017.
